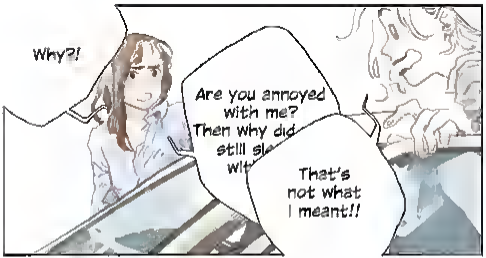
Beloved.

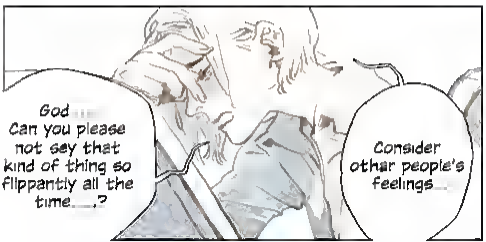
CHAPTER 8

CHOICE

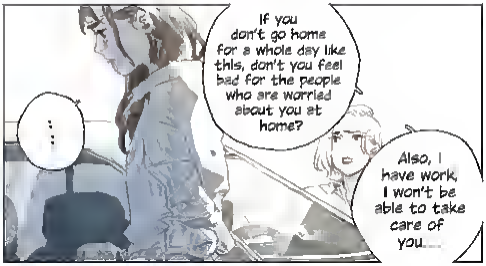
Absolutely not.



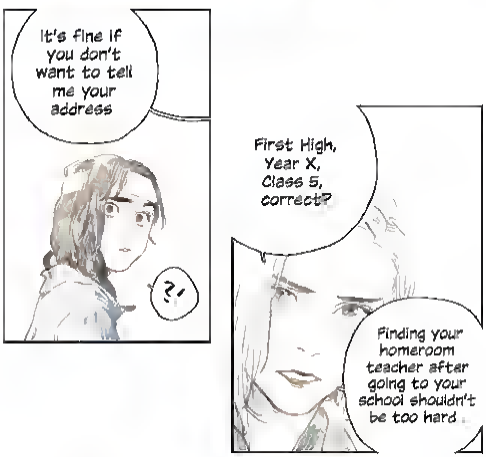
Why?!
Are you annoyed with me? Then why did
That's not what I meant!!



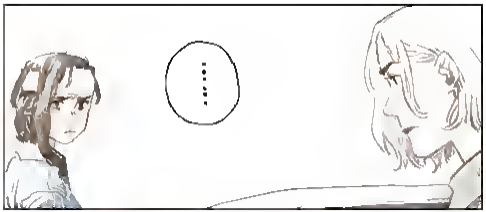
God
Can you please not say that kind of thing so flippantly all the time...?
Consider other people's feelings...



If you don't go home for a whole day like this, don't you feel bad for the people who are worried about you at home?
Also, I have work, I won't be able to take care of you...
...

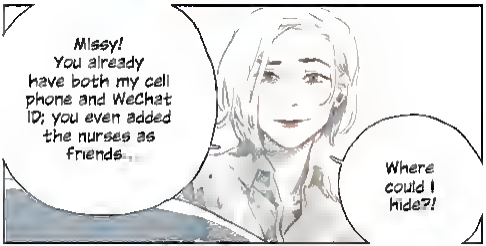


It's fine if you don't want to tell me your address
?!
First High, Year X, Class 5, correct?
Finding your homeroom teacher after going to your school shouldn't be too hard.



.....

You really aren't trying to hide from me?



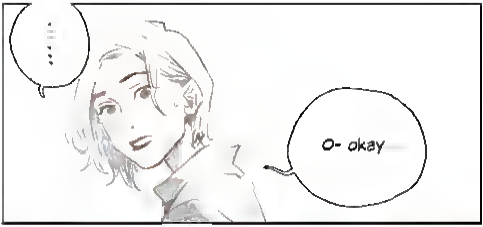
Missy! You already have both my cell phone and WeChat ID; you even added the nurses as friends...
Where could I hide?!

I'll definitely call you.

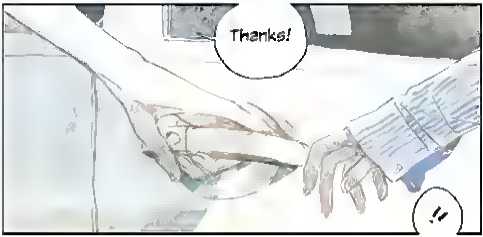
I promise.

Okay...
Take me back to my school.
My bookbag is still there...
Wait a minute!!

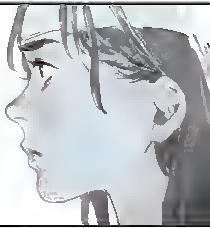
Good, you haven't left yet.
Can i hitch a ride?



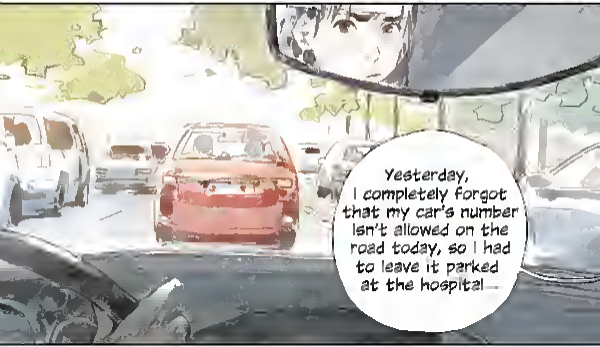
...
O- okay



Thanks!
!!

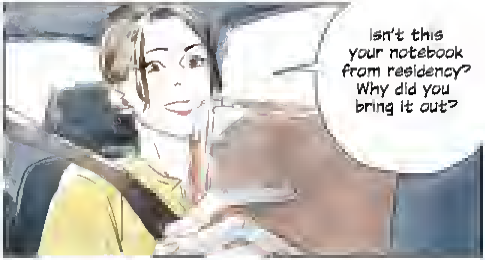


@Jae-五宝

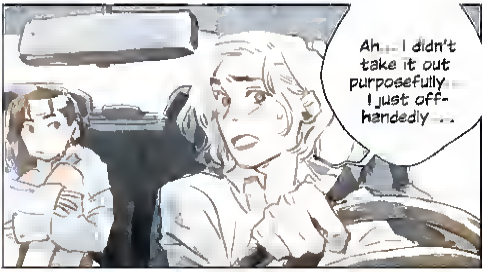


Yesterday, I completely forgot that my car's number isn't allowed on the road today, so I had to leave it parked at the hospital...

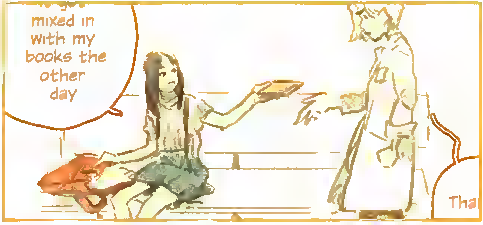
Good thing that I saw you. It'd be impossible to find a taxi at this hour.
It's nothing, it's on the way anyway...
But I have to take Ding—... My niece back to school first...
?



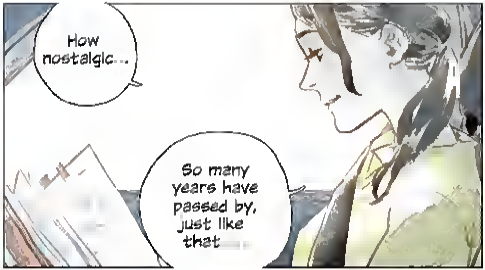
Isn't this your notebook from residency? Why did you bring it out?



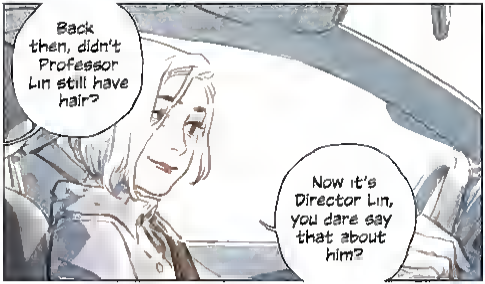
Ah... I didn't take it out purposefully... I just off-handedly...



mixed in with my books the other day
Tha



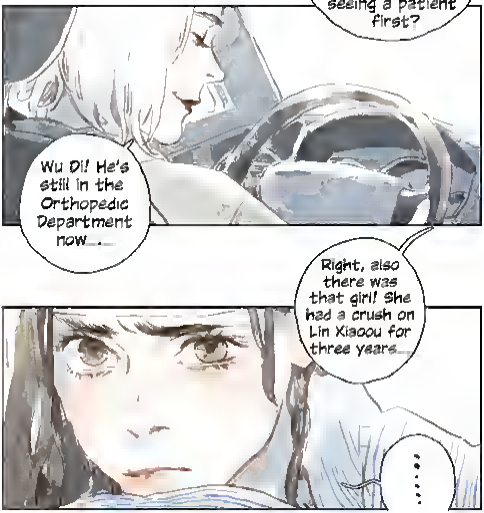
How nostalgic...
So many years have passed by, just like that



Back then, didn't Professor Lin still have hair?
Now it's Director Lin, you dare say that about him?

What's to be afraid of? I'd still say it to his face

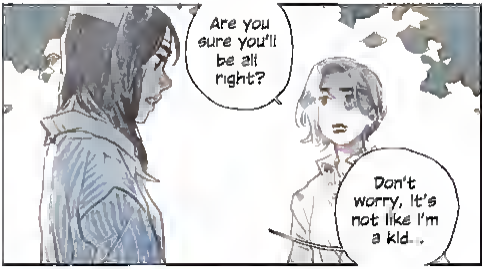
What was that guy in your year named?
The one that got transferred to Orthopedic and then fell down the stairs; he got admitted as a patient himself



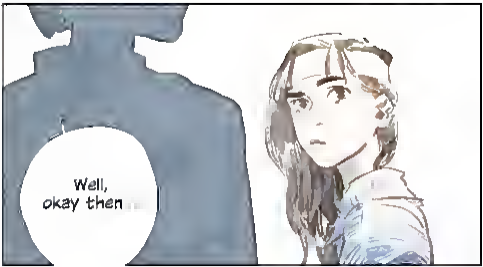
without even seeing a patient first?
Wu Di! He's still in the Orthopedic Department now...
Right, also there was that girl! She had a crush on Lin Xiaoou for three years...
.....

@Jue 王宝

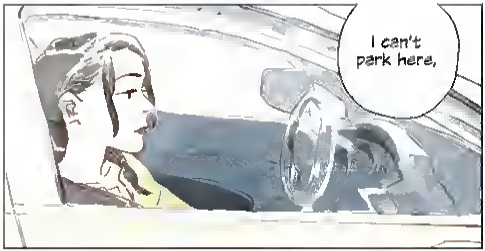
Don't worry about me, I'll get my stuff and go home by myself...



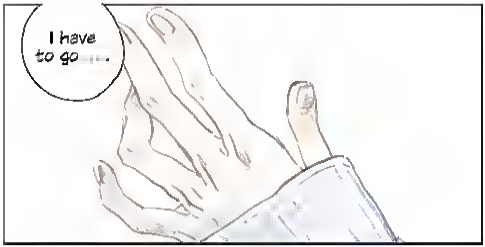
Are you sure you'll be all right?
Don't worry, it's not like I'm a kid...



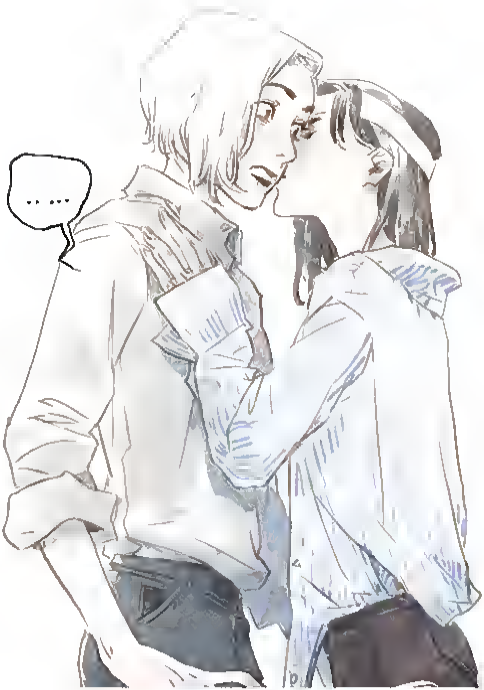
Well, okay then...

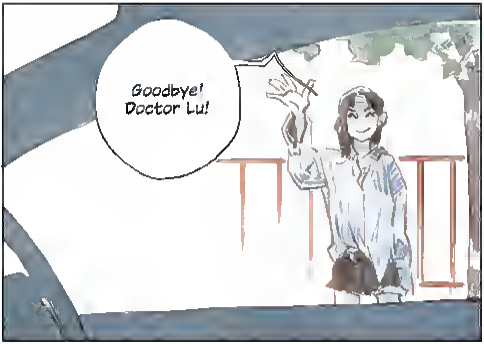


I can't park here,

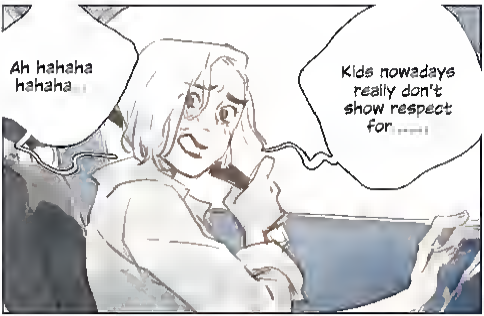


I have to go ...

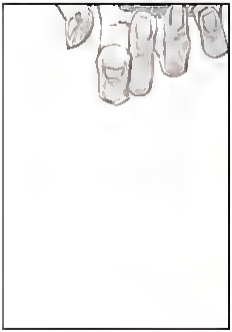


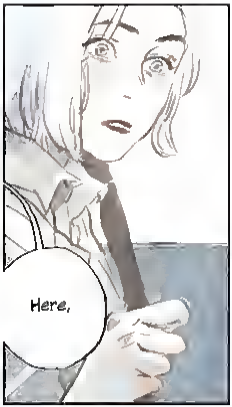


Goodbye! Doctor Lu!

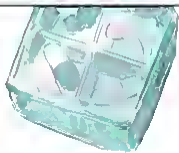


Ah hahaha hahaha...
Kids nowadays really don't show respect for.....

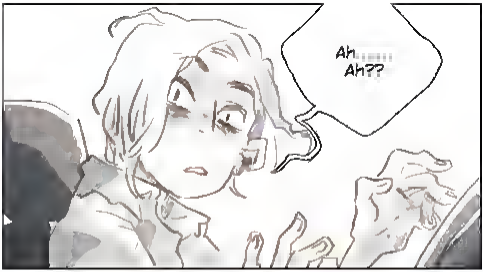




Here,

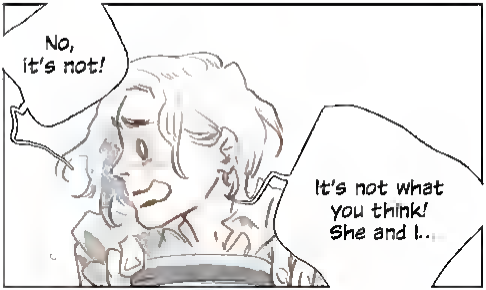


I found it during rounds yesterday



Ah.....
AH??

Yesterday
You probably
stayed in there
for a long time.

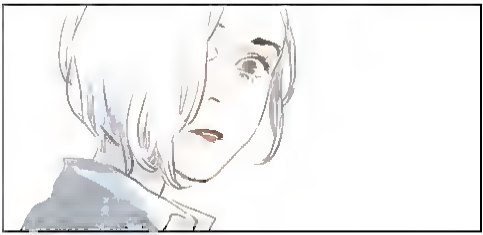


No, it's not!
It's not what you think! She and I...

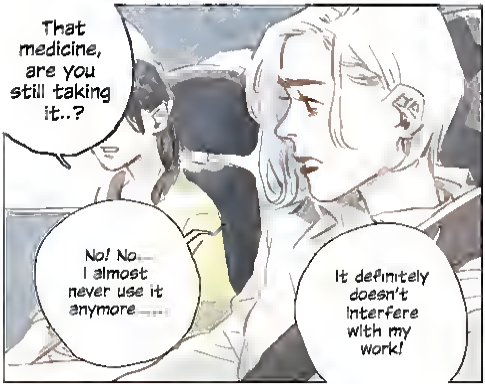
It's all a misunderstanding . !
Weiwei

@Jue 五宝

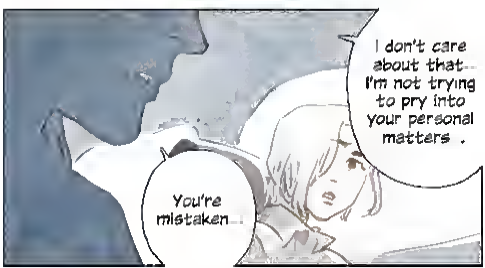
How have you been recently.....?



Pretty good.....
Everything's been pretty good.....

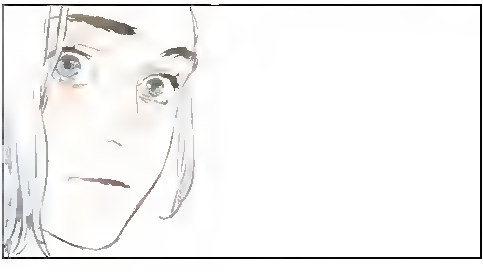


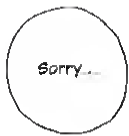
That medicine, are you still taking it..?
No! No... I almost never use it anymore....
It definitely doesn't interfere with my work!



I don't care about that... I'm not trying to pry into your personal matters .
You're mistaken...

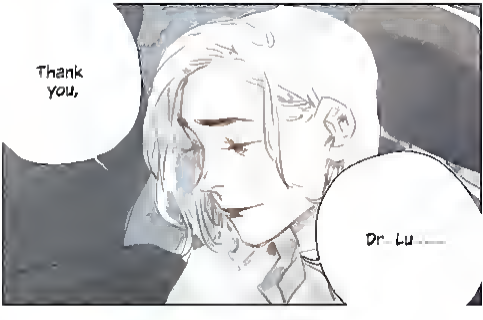
I'm.....
Just worried about you...



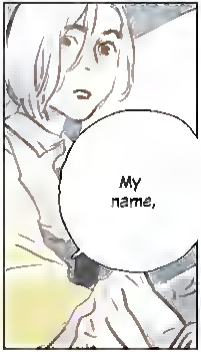


Sorry...

For bothering you yesterday about that matter...



Name

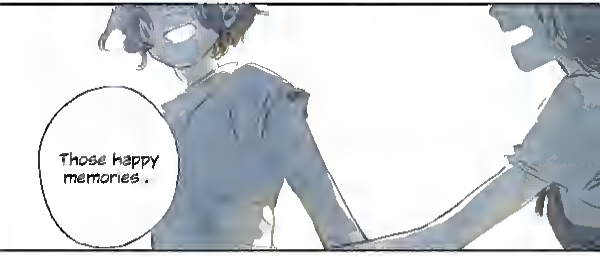


My
name,

You don't
even want to
say it.

Aren't you...
Ever going to forgive me over that?

Can't we just remember those beautiful memories. .?

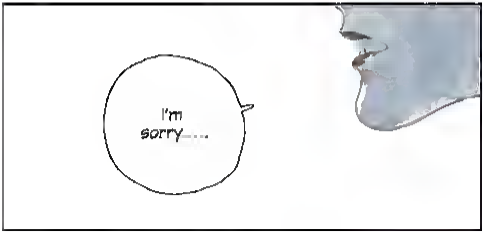


Those happy memories .

Are more important than what is right and wrong
Aren't they.....?

There should only be happiness from memories .
Not tears

Liar.



I'm
sorry....

The me right now, still can't do that...
So are you just going to punish me.?
Pu-punish??

You and that kid!
Doing that debauchery in my hospital beds...
What does this have to do with her?
Don't be like this.
Then you tell me, how should I be?

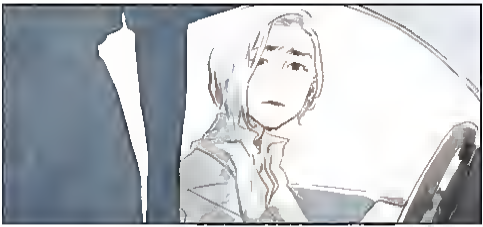
If everything could be redone once more...
What should I have done so that you would be satisfied?!

Should I have chosen to give up everything, everything I had...—?!
Only then you'd forgive me?!!

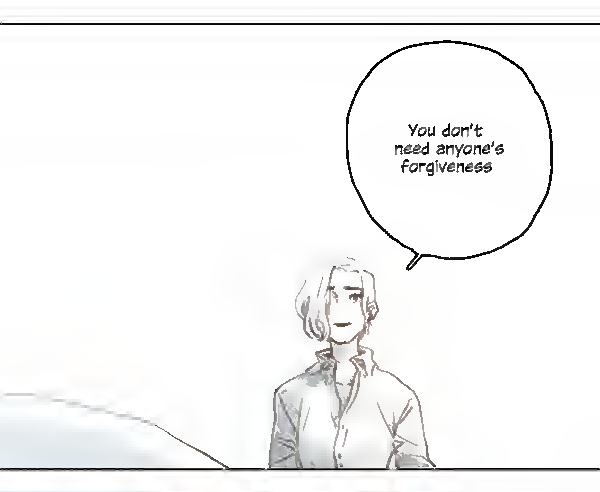
Enough!

We're here..

At your place...

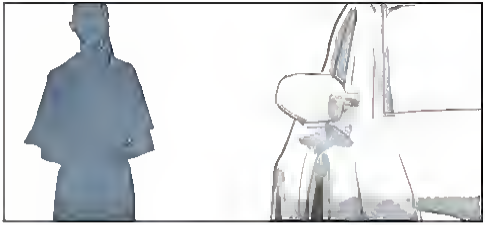


Si Chen.



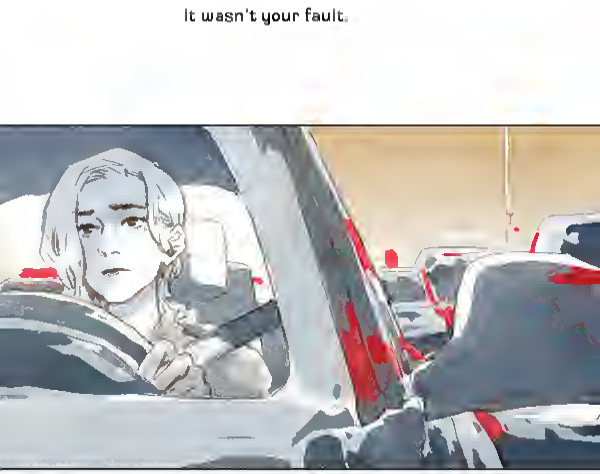
You don't need anyone's forgiveness

Because you didn't do anything wrong



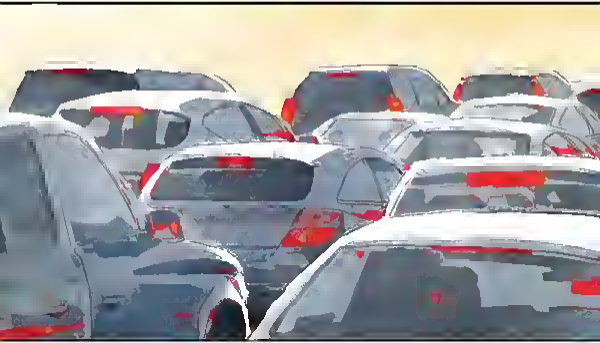
@Jus-五宝

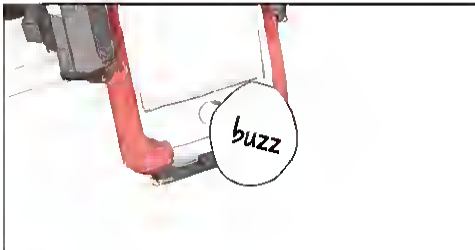
It wasn't your fault.



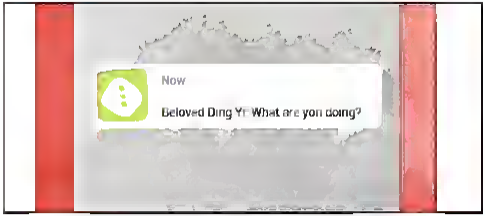
You only...

Made a choice

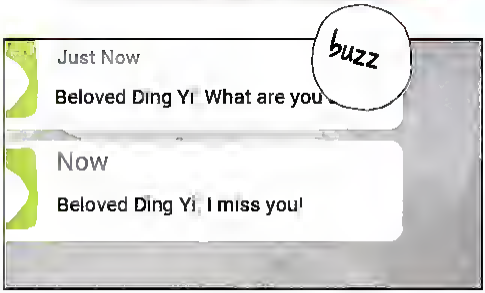




buzz



Now
Beloved Ding Yi: What are you doing?



buzz
Just Now
Beloved Ding Yi: What are you

Now

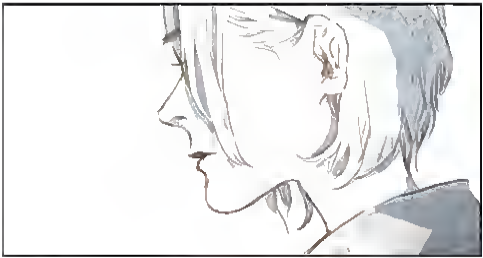
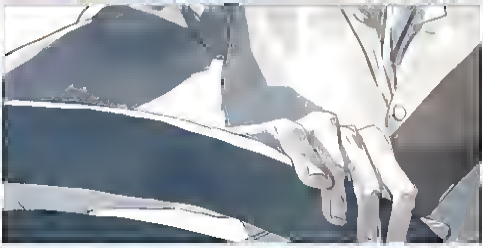
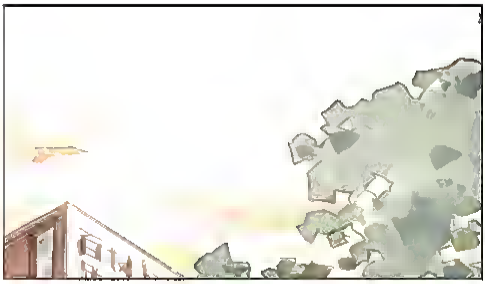
eloved Ding Yi: I'm still waiting for you where I got off the car...

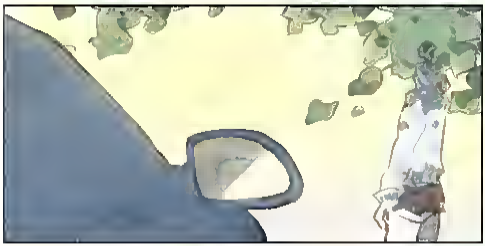


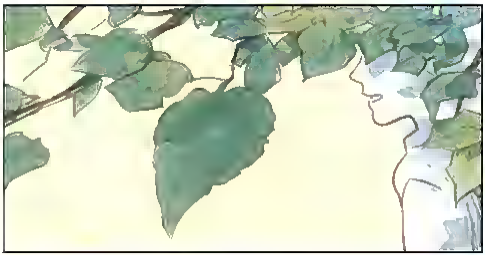
So I should also...

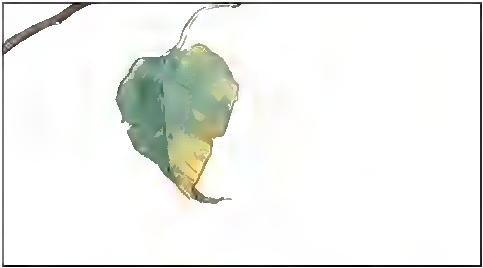


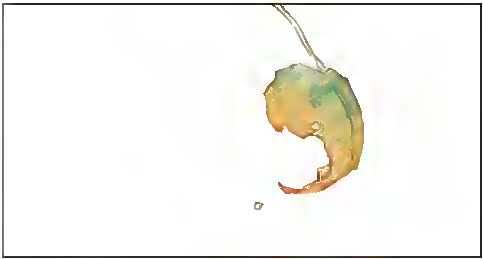
Make mine.

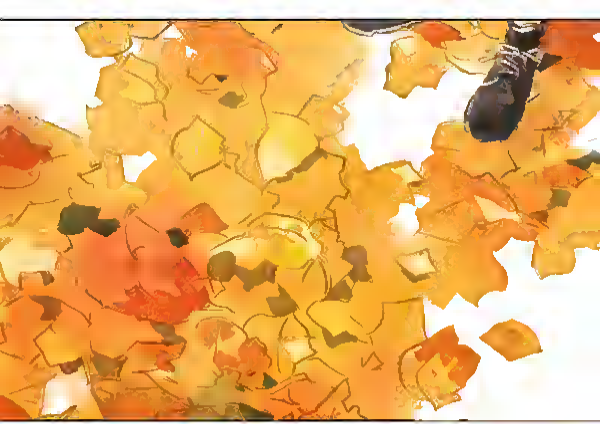












You're late again!

Quick,

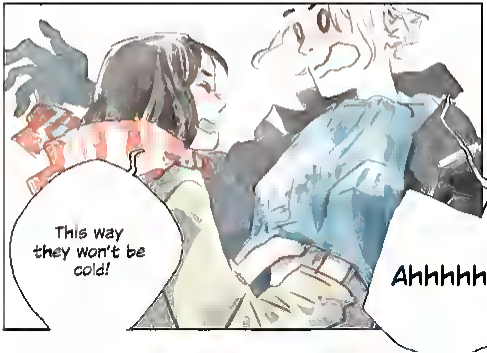
It's so cold why aren't you wearing gloves?
It's not a problem...

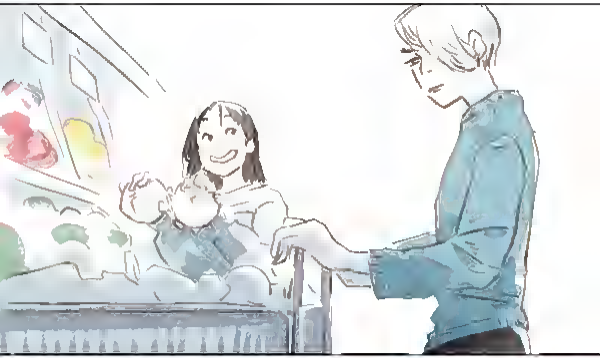


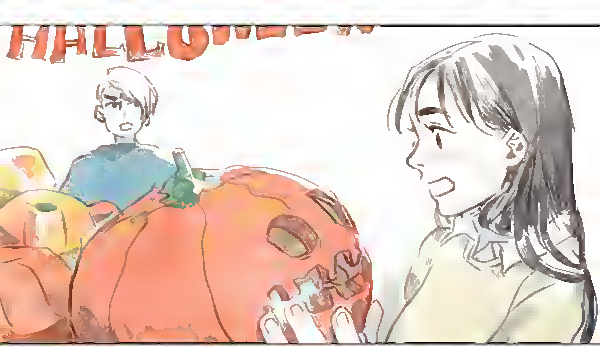
This way they won't be cold!
Ahhhhh!

Take them out!! There are people outside!!
Wei Wei, why did your breasts get smaller...?
Shut up!!

This time.

I would like to choose a simple kind of happiness.

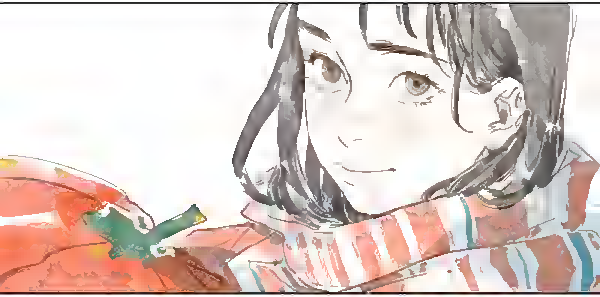




HALLOWEEN

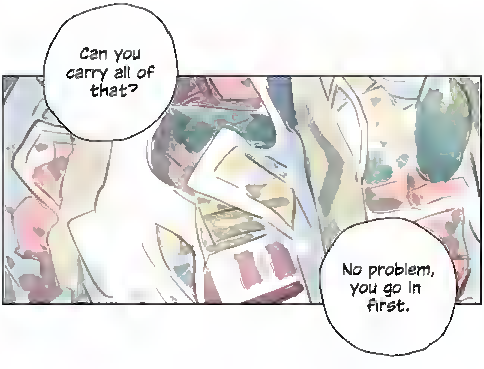
A choice

To be treated wholeheartedly



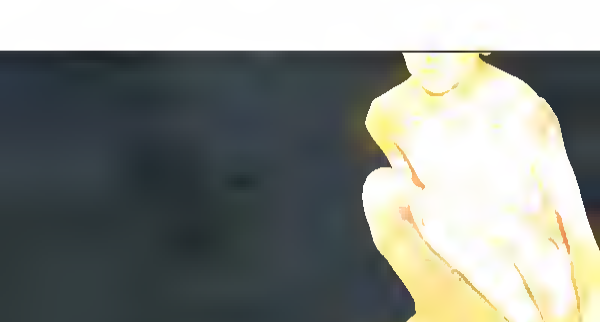
A choice.....

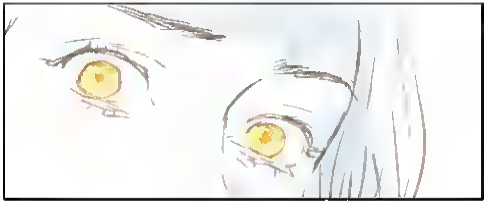
...to be loved.

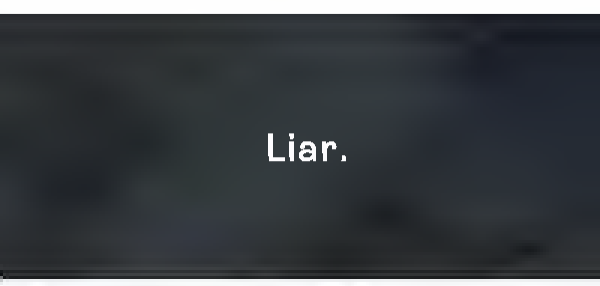


Can you carry all of that?
No problem, you go in first.

@Jue 五宝







Liar.

BAM!
What are you doing? Come in quickly

Wei Wei?
